

THE FEDERAL GROUP, INC.

277 S Washington St, Suite 210
Alexandria, Virginia 22314
(202) 413 - 2629

Core Values

1. **Transform U.S. Healthcare:** Drive impactful change in the U.S. healthcare system by delivering innovative, evidence-based solutions that improve patient outcomes and enhance the quality of care.
2. **Empower People:** Recognize and nurture the potential of every individual—employees, clients, and patients alike—by fostering an environment of respect, growth, and empowerment.
3. **Strengthen Communities:** Actively contribute to the well-being and resilience of communities by supporting initiatives that promote health equity, access to care, and social responsibility.
4. **Pursue Excellence:** Commit to unparalleled quality in every service and solution provided, consistently exceeding expectations and setting new standards of excellence in healthcare consulting.
5. **Foster Collaborative Partnerships:** Build strong, cooperative relationships with clients, healthcare teams, and stakeholders, prioritizing open communication, shared vision, and collective success in achieving outstanding healthcare outcomes.

The Federal Group is a bipartisan government relations and public affairs health policy consulting firm based in the Washington, DC area. We specialize in providing comprehensive services to companies, associations, municipalities, academic institutions, and non-profit organizations. Our mission is to help clients achieve their goals and objectives in the health policy arena.
